

Mailing Address / Instructions

This is a petition to the Ontario Legislature

Besides the politicians, I am hoping we can make many people aware of it, including officials, community leaders, and media, so that it challenges them to ask questions and take action.

At least one signature is enough with name and address. Collect as many signatures as you can – from friends, family, networks, public places within, say, a week or two. Then mail them to the address below.

Print as many blank petition sheets as you need and distribute them to others with mailing address. And distribute the blank petition PDF to everyone you know in Ontario via email or social media along with the mailing address.

I have arranged with the MPP for Cambridge to present this petition.

Regardless of where you live in Ontario, any riding, mail completed petition pages (originals only) to:

Belinda Karahalios, MPP, Cambridge Riding
Cambridge Place
73 Water Street North, Suite 409
Cambridge, Ontario N1R 7L6

The rules of petitions to the Ontario Legislature are explained at <https://www.ola.org/en/get-involved/petitions>

They are different from the federal parliament's petitions.

These are the main points:

The text of the petition must be at the top of every page of signatures.

All signatures must be **original**. They must be written directly on the petition.

Each petitioner must print his or her name and address and sign his or her name under the text of the petition.

Petitioners must be **residents of Ontario**.

The petition must be written, typewritten, or printed. **Emailed, faxed, photocopied, or online petitions are not allowed.**

MPPs present petitions to the Legislative Assembly.

These presentations are recorded in Hansard and the official record of proceedings (Votes and Proceedings). <http://hansardindex.ontla.on.ca/>

Petitioners must arrange for an MPP to present their petition (arranged already).
